

MCKAY FAMILY LEGACY SCHOLARSHIP

Background

The McKay Family Legacy Scholarship was established in 2018 in collaboration with Dan and Sarah McKay and the Hutchinson Health Foundation for the purpose of supporting community members choosing to pursue a career in emergency medical services (EMS), fire service, or law enforcement. Dan and Sarah McKay's desire to give back to the community they live in and serve, provides the impetus for the scholarship. The McKay family has a legacy in EMS and Fire Service in Hutchinson. The Hutchinson Health Foundation is proud to be a partner in making these grants available. One \$1,000 scholarship will be awarded through this program. Selection will be made annually by the McKay's, or their assigns, from complete and qualified applications, without regard to gender, race, creed, or national origin.
